

## ACCESS TO HEALTHCARE IN SPAIN

Foreigners with HIV who are resident in Spain can receive care and treatment for their illness.

The method of access to the public healthcare system depends on whether or not you are legally resident and on the Autonomous Community in which you live.

### ACCESS TO CARE AND TREATMENT OF HIV FOR FOREIGNERS

#### PEOPLE WITH LEGAL RESIDENCE

**01** Registration with a city council (municipality) in Spain

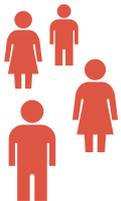

**02** Apply for the individual health card at a healthcare centre

#### PEOPLE WITHOUT LEGAL RESIDENCE

**01** Registration with a city council (municipality). People with no fixed address are also entitled to register as a resident with the city council

**02** Apply for access to the healthcare system by following the procedure agreed by each Autonomous Community

**03** Ask for an appointment with the primary healthcare doctor assigned

**04** Ask the primary healthcare doctor for referral to an HIV specialist in the corresponding hospital
